- BBK Closing Ceremony
- Pink Day
- Coffee Morning
- Deepavali Celebration
- Mid Term Review
- Secondary Field Trip
- SSU Sports Day
- Learning Assembly- Standard 2

Dear Sri UCSI Kuala Lumpur Community,

Let's reflect on the vibrant and enriching activities that have defined this chapter of the academic year. October witnessed the colourful celebration of Bulan Bahasa Kebangsaan, a month dedicated to celebrating our national language. The success of this event would not have been possible without the collective efforts and enthusiasm of our dedicated students, passionate educators, and supportive parents. The month of November saw our school radiate with joy during the internal Deepavali celebration. It was heartening to witness the entire school come together to commemorate the Festival of Lights, fostering understanding and appreciation for the traditions that enrich our vibrant community.

As we turn the page to the final chapter of the academic session 2023/2024, we look ahead to a series of exciting school programs that will further enrich the educational experience for our students. Get ready for a season of sportsmanship at our Sports Day, where our students will showcase their athletic prowess and team spirit. Following that, we will usher in the festive season with a joyous Christmas Celebration, spreading warmth and cheer throughout our school. In the months that follow, brace yourselves for the marvels of science, technology, engineering, arts, and mathematics (STEAM) at our STEAM Fair. The event promises to be an immersive and educational experience, fostering a love for inquiry and exploration. As we welcome the Chinese New Year, we will celebrate the cultural diversity that makes our school unique, embracing the traditions and customs of this joyous occasion. Our Awards Assembly, where we will recognize and honour the achievements and efforts of our students across various fields. It's a time to applaud their hard work, dedication, and accomplishments throughout the year.

Please note that this marks the last issue of the newsletter for the year 2023. The next issue of our newsletter will be published by the end of the academic session in February 2023/2024, capturing the highlights and achievements of our school community.

We would like to take this moment to thank each student, parent, teacher, and staff member for their unwavering support and commitment to our school's mission and values. Your dedication contributes significantly to the overall success and positive atmosphere of our learning community.

Thank you.

WONG KIN TUNG
Principal, Sekolah Sri UCSI Kuala Lumpur

Dear Sri UCSI Kuala Lumpur Community,

As we approach the conclusion of 2023, we are thrilled to celebrate the culmination of this year on a high note! Following a month brimming with activities for our Bulan Bahasa Kebangsaan, we recently concluded a delightful closing ceremony filled with captivating performances, showcases, and a book fair. At Sekolah Sri UCSI Kuala Lumpur, we take great pride in emphasizing the learning of our national language.

Our recent inaugural coffee morning introduced one of our Finnish solutions – Eduten, aiming to transform the teaching of Mathematics into an engaging experience for formative assessments, performance benchmarks, and self-enrichment. We encourage all parents to actively support their children in developing their numeracy and arithmetic skills through this innovative solution.

Additionally, our learning journey transcended the confines of our classrooms through our primary and secondary school field trips. Our primary students delved into an abundance of agricultural knowledge at the Selangor Fruit Valley, while our secondary students put their intellect and physical abilities to the test during their visit to District 21.

The excitement continued with our exhilarating Sports Day. Leading up to this spectacular event, our students engaged in spirited competitions encompassing handball, netball, dodgeball, and tug-of-war on our campus. Moreover, our secondary school field trip included our first bowling tournament. On the eventful Sports Day, we witnessed our students displaying remarkable sportsmanship while participating in running, long jump, and telematch events.

As we approach the festive season, our upcoming Christmas celebration awaits. We cordially invite you to join us in this joyous occasion, and we eagerly anticipate your presence, reveling in the festivities!

Looking ahead, as our academic year draws to a close next year, our End-of-Year Examinations are scheduled for January. We encourage our students to diligently prepare for these assessments.

Wishing everyone a restful December break!

LEONG MIN ZHI
Senior Assistant of Curriculum & Administration

SEKOLAH SRI UCSI KUALA LUMPUR IS A

MALAYSIA FUTURE LEADERS SCHOOL

Malaysia Future Leaders School (MFLS) programme aims to promote young people with potentials as strategic partners in developing the country by holding true to the Federal Constitution and the principles of Rukun Negara. Furthermore, it provides students with opportunities to participate in training and internship programmes in and outside the country, including the chance to undergo in-house training at Government-Linked Companies (GLCs). The MFLS programme is sponsored by the Ministry of Youth and Sports Malaysia, Ministry of Education Malaysia and Outward Bound Malaysia.

Five Elements of MFLS

Volunteerism

Entrepreneurship

Leadership

Character Building

Patriotism
