ISSUE 10
30.4.2024

HIGHLIGHTS IN THIS ISSUE :

- New Students' Orientation Day
- CCA fair
- Personality And Career Test _F3&F4
- Wayang Kulit Painting
- STEAM Showcase Day
- Hari Raya Celebration
- HIPPO English Olympiad
- CCA: SCOUTS
- Edtech Learning
- ART

Dear Sri UCSI Kuala Lumpur Community,

Welcome to a Year of Growth and Learning! We would like extend a warm welcome to our new families joining our community, and equally excited to welcome back our returning families. At SSU KL, we believe that education is not just about acquiring knowledge, but it's a journey of growth and discovery. Our mission is to provide an environment where students can flourish academically, socially, and emotionally, nurturing their potential to become lifelong learners and responsible citizens.

Central to our mission is the understanding that learning is a process. Each child comes to us with unique talents, interests, and abilities, and it is our privilege to guide them on their educational journey. Whether they are mastering multiplication tables, exploring the wonders of science, or delving into the complexities of literature, we encourage our students to embrace challenges, make mistakes, and learn from both successes and setbacks.

As we strive to cultivate a culture of excellence, we are committed to fostering the 4Cs: Creativity, Communication, Critical Thinking, and Collaboration. These skills are not only essential for success in the classroom but also in the world beyond our school walls. By integrating the 4Cs into all aspects of our curriculum and extracurricular activities, we aim to empower our students to become lifelong learners and effective global citizens.

The responsibility for fostering a 4Cs culture does not rest solely on the shoulders of our educators. It is a collaborative effort that requires the active participation of students, teachers, parents, and the broader community. Together, we can create an environment where innovation thrives, ideas are exchanged freely, and every voice is valued. We also recognize the importance of character education in shaping well-rounded individuals who contribute positively to society. Our school is committed to instilling values such as integrity, respect, empathy, and responsibility in our students. These values serve as the foundation upon which our students build their academic achievements and personal growth.

As we embark on this journey together, I encourage you to embrace the spirit of curiosity, creativity, and collaboration. Let us support one another as we strive for excellence and celebrate the achievements, big and small, along the way. Here's to a year filled with growth, learning, and endless possibilities.

Thank you.

Welcome to our first issue of the Scoop for the Academic Year of 2024/2025! To our newcomers, a heartfelt welcome to the Sekolah Sri UCSI Kuala Lumpur Family, and to our returning students, we've missed you dearly!

Our students embarked on an exhilarating journey through STEAM Week, where they were continually challenged to think scientifically and collaborate effectively. From crafting models for our Museum of Curiosities to designing rockets, bridges, and parachutes, creativity and problem-solving were pushed to new heights, with students meticulously explaining the rationale behind each decision.

But the excitement doesn't end with STEAM Week! Our lower secondary students are diving into our 21st Century Digital Skills program, focusing on 3D modeling to unleash their creativity through technology. I eagerly anticipate witnessing their progress and achievements by the year's end.

Cultural diversity lies at the heart of Sekolah Sri UCSI Kuala Lumpur, and we recently teamed up with Pavilion Bukit Jalil for a cultural creativity session, where our students painted Wayang Kulit (shadow puppets) with vibrant colors, capturing the festive spirit of Hari Raya Aidilfitri. The school's Hari Raya Assembly was a delightful spectacle, with students dressed in their finest attire, filling our halls with laughter, love, and cultural richness.

We extend our heartfelt gratitude for the enriching experiences and invaluable connections that continue to shape our children's educational journey. Together, let's celebrate the diversity, creativity, and boundless potential of our students, reaffirming our commitment to nurturing lifelong learners and global citizens.

Here's to many more exciting months ahead!

SEKOLAH SRI UCSI KUALA LUMPUR IS A

MALAYSIA FUTURE

LEADERS SCHOOL

Malaysia Future Leaders School (MFLS) programme aims to promote young people with potentials as strategic partners in developing the country by holding true to the Federal Constitution and the principles of Rukun Negara. Furthermore, it provides students with opportunities to participate in training and internship programmes in and outside the country, including the chance to undergo in-house training at Government-Linked Companies (GLCs). The MFLS programme is sponsored by the Ministry of Youth and Sports Malaysia, Ministry of Education Malaysia and Outward Bound Malaysia.

Five Elements

of MFLS

Volunteerism

Entrepreneurship

Leadership

Character Building

Patriotism
