Dear Sri UCSI Kuala Lumpur Community,

As we embrace another month at Sekolah Sri UCSI Kuala Lumpur, I am pleased to share some exciting updates and initiatives that highlight our commitment to excellence in education.

Our English Department teachers are currently undergoing professional development with Cambridge Professional Development, focusing specifically on enhancing their writing skills. Additionally, selected staff members recently participated in a two-day 21st Century Learning Design Workshop conducted across the UCSI Schools Group, facilitated by the Microsoft Global Training Partner and FA Worldwide Group. This training aims to equip our educators with innovative strategies that align with modern teaching practices.

We were also delighted to host a visitation from Anuban Khon Kaen Primary School, Thailand, welcoming 80 students, teachers, management, and board directors. This cultural exchange provided our students with an opportunity to build friendships and enhance their global perspective.

Looking ahead, we are gearing up for the Interhouse Sports Tournament next month, which promises to be an exciting event for our students. In addition, we have engaged with an external counselling agency to provide career counselling sessions and workshops for our Form 3 and 4 students, helping them navigate their future pathways. We anticipate that all these activities will be wrapped up by the end of next month, as we prepare for the Year End Examination, scheduled for early December.

Pictures related to our Bulan Bahasa Kebangsaan activities, Primary and Secondary school field trips and Deepavali Celebration will be shared in the November newsletter. Please note that the December 24 edition of the newsletter will be combined with January 25's version to provide a comprehensive overview of both months.

I would like to take this opportunity to express my heartfelt thanks to all our teachers for their unwavering efforts and dedication to our students' success.

Dear Sri UCSI Kuala Lumpur Community,

Welcome to another edition of The Scoop!

At SSU KL, learning never stops—and we're thrilled to share how our students are growing and exploring beyond the classroom. Recently, our students went on their second field trip of the year. Our Primary students were captivated by the wildlife wonders at A'Famosa Safari Wonderland in Malacca, while our Secondary students enjoyed thrilling water adventures at Sunway Lagoon in Subang Jaya.

We also celebrated an enriching cultural exchange between our Upper Primary students and students from Anuban Khon Kaen Primary School, Thailand, along with their school representatives. This borderless classroom experience has fostered new friendships and strengthened our students' sense of global citizenship.

Our teachers, too, are continuously expanding their skills to enhance our students' learning. With a focus on the Cambridge English curriculum, our English teachers have begun specialized courses from Cambridge, aiming to elevate students' writing skills. Additionally, a select group of teachers is delving into 21st Century Learning Design through a two-day workshop led by Microsoft Global Training Partner and FA Worldwide Group. We're excited to see these new techniques in action!

As the academic year draws to a close, please note that our End-of-Year Examinations will take place in early December, providing a valuable summary of your child's progress. We appreciate your support in helping them prepare.

And finally, wishing a very Happy Deepavali to those celebrating, and happy holidays to all!

Stay tuned for our next issue!
