- Kimchi Making Workshop
- Mini games: Secondary
- Art and Craft: Lower Primary
- Christmas Celebration
- Career Counselling
- Year End Class Party
- Art Learning
- Basketball: SSU vs UIS

Dear Sri UCSI Kuala Lumpur Community,

As we near the end of the academic year 2024/2025, let's take a moment to reflect on the incredible strides Sekolah Sri UCSI Kuala Lumpur has made this year. It has been a year full of accomplishments, growth, and progress. With each milestone, we have strengthened our commitment to providing a well-rounded and future-focused education for our students.

One of the most notable achievements this year is the outstanding performance of our students in the Cambridge Checkpoint Results for 2024 for both Primary and Lower Secondary. Not only did our students perform better than in previous years, but they also exceeded the international average in all subjects—English, Mathematics, and Science. The percentage of high achievers has increased significantly, a clear indication that our efforts to continually enhance teaching and learning are paying off. These results demonstrate that our students are not only mastering key academic subjects but are also being equipped with the skills and knowledge to succeed on the global stage. The achievements of this year are a clear indication that Sekolah Sri UCSI Kuala Lumpur is moving in the right direction, and I am excited for the future that we are shaping together.

Beyond academics, Sekolah Sri UCSI Kuala Lumpur has continued to lead the way in nurturing 21st-century skills through school events and projects. These learning-beyond-classroom experiences have opened exciting new pathways for students to explore areas like technology, problem-solving, and teamwork. These efforts complement our academic focus, preparing students for diverse career opportunities in the future.

Our focus on continuous improvement is also evident in our ongoing efforts to enhance teaching and learning. Our staff has embraced new professional development opportunities, ensuring they remain at the forefront of educational best practices. The dedication and passion of our teaching staff have been key to the success we have achieved, and many of our teachers have contributed significantly to the nurturing and development of our students.

Looking ahead to the start of the 2025 academic session on 17th February, I am confident that we will continue to build on the strong foundation we have established. Thank you for your continued support and partnership in making Sekolah Sri UCSI Kuala Lumpur a place where students thrive.

WONG KIN TUNG
Principal, Sekolah Sri UCSI Kuala Lumpur

Dear Sri UCSI Kuala Lumpur Community,

Welcome to the final issue of our newsletter for the academic year 2024/2025! December has been a month filled with celebration and reflection. With the completion of the End-of-Year Examinations, congratulations to those who achieved excellent results! To everyone else, remember that every step toward improvement, whether big or small, is a success in itself. Keep striving for progress.

On the topic of improvement, I am delighted to share that the results of the Cambridge Checkpoint October Series 2024 are out. Our school has achieved remarkable success, performing well above the international average, with four top achievers in both the Primary and Lower Secondary Checkpoints. We have definitely outperformed ourselves compare to previous years. This outstanding achievement is a testament to the dedication of our teachers and the hard work of our students. We are incredibly proud of you all, and may this success serve as inspiration for the next cohort!

The spirit of celebration carries into January 2025 as we prepare for our Chinese New Year Celebration and Awards Day. This special occasion allows us to honor our achievers while coming together to welcome the Year of the Snake in a joyous and festive atmosphere.

Wishing you all a Happy Chinese New Year and a wonderful holiday season! We look forward to seeing you again in February 2025.

LEONG MIN ZHI
Senior Assistant of
Curriculum & Administration

SEKOLAH SRI UCSI KUALA LUMPUR IS A

MALAYSIA FUTURE LEADERS SCHOOL

Malaysia Future Leaders School (MFLS) programme aims to promote young people with potentials as strategic partners in developing the country by holding true to the Federal Constitution and the principles of Rukun Negara. Furthermore, it provides students with opportunities to participate in training and internship programmes in and outside the country, including the chance to undergo in-house training at Government-Linked Companies (GLCs). The MFLS programme is sponsored by the Ministry of Youth and Sports Malaysia, Ministry of Education Malaysia and Outward Bound Malaysia.

Five Elements of MFLS

Volunteerism

Entrepreneurship

Leadership

Character Building

Patriotism
