CCA

- Taichi
- Art & Craft

Dear Sri UCSI Kuala Lumpur Community,

Term 1 was a period of remarkable growth and achievement, showcasing our students' talents and our community's collective commitment to holistic education. As we begin Term 2, we warmly welcome our new families – your presence enriches our SSUKL community.

This term, we're launching exciting programmes to enrich our students' learning, including SDG-focused assemblies to promote global awareness, a UCSI University Progression Pathway for Form 3–5 students to explore careers, and a Financial Literacy Workshop to build money management skills. Lower Secondary students can opt for digital skills classes, while our International Day will celebrate cultural diversity. Together, these initiatives ensure a dynamic and well-rounded Term 2!

Our teachers are actively engaged in professional development initiatives, including analysing parent survey feedback to formulate actionable improvements, participating in collaborative training sessions with educators from other Sekolah Sri UCSI schools to share best practices, and pursuing the Microsoft Certified Educator (MCE) certification to enhance their digital teaching skills—all part of our ongoing commitment to delivering exceptional, future-ready education for our students.

We are proud to announce that our school has been selected as one of only five private schools in Kuala Lumpur to participate in the prestigious Program Kepimpinan Generasi Madani (formerly Malaysia Future Leaders School Programme), fully sponsored by Akademi Kenegaraan Malaysia under the Prime Minister's Office. Out of 7,140 selected students across Malaysia, 10 outstanding students from our school will have the unique opportunity to develop leadership skills, civic awareness, and national values through this transformative program. This recognition reflects our commitment to nurturing future-ready leaders who will contribute meaningfully to Malaysia's progress.

We are excited to launch our new Student Social Responsibility (SSR) Programme this term, where our students will visit selected nearby primary schools to conduct interactive learning workshops. This initiative serves a dual purpose: providing meaningful community service while developing our students' leadership skills, confidence, and ability to inspire others –aligning perfectly with our mission to nurture compassionate, capable leaders of tomorrow.

None of our accomplishments would be possible without the dedication of our teachers, the enthusiasm of our students, and the unwavering support of our parents. As we step into Term 2, let's continue working together to inspire, innovate, and achieve.

Wishing everyone a productive and joyful term ahead!

The rope jumping session boosts cardiovascular health. Leg and body stretching enhance flexibility. All activities promote social interaction. Selected Taichi movements improve coordination and mindfulness. The activities include basic stretching, rope jumping, front and side kicks, and Taichi moves such as Dan Bian (单鞭), Ye Wen Squat (叶问蹲), and Horse Stance with Punch (马步冲拳).
