Teacher SPOTLIGHT

MR. SANTHANASAMY AMALADAS

**HEAD OF UCSI SPRINGHILL CAMPUS
& PRINCIPAL**

Mr Santhanasamy Amaladas brings over 35 years of invaluable experience to his role as the incoming Principal of Sekolah Sri UCSI Springhill. Throughout his distinguished career, he has held numerous senior leadership positions, contributing to the development of schools and communities alike. Before joining Sekolah Sri UCSI Springhill, Mr Santhanasamy was the Principal at St. Paul's Institution (Primary), where he successfully led the school through a period of significant growth and transformation. One of his most notable achievements was guiding the school's transition to a co-educational institution, expanding access and creating a more inclusive and dynamic learning environment.

This change, alongside a steadfast focus on academic excellence and co-curricular development, propelled the school's reputation as a leader in education. Mr Santhanasamy's academic credentials include a Bachelor of Education (TESL) and a Diploma in Professional Educational Leadership from the prestigious Aminuddin Baki Institute. His leadership has been recognised through various accolades, including the Award for Excellence in Service from the District Education Office and the Pingat Khidmat Masyarakat (PMC) from the Yang Di-Pertuan Negeri Sembilan. He was also honoured with the Pearson Longman Leadership Scholarship to Lucy Cavendish College, University of Cambridge, and represented Malaysia at the Pearson Longman Asian Leadership Conference in Da Nang, Vietnam.

EDUCATION FOR SUSTAINABLE DEVELOPMENT (ESD)

An advocate for integrating technology into education, Mr Santhanasamy has led initiatives to equip schools with state-of-the-art facilities, such as an AstroTurf hockey field and smartboard-enabled classrooms.

"Together, we will ensure that our students not only excel academically but also develop the resilience, creativity and global awareness needed to thrive in an interconnected world."

Education for Sustainable Development (ESD) aims to empower learners with the knowledge, skills, values, and attitudes

to make informed decisions and take responsible actions for environmental integrity, economic viability, and a just society, for present and future generations.

His efforts have consistently aimed at preparing students for the modern world, ensuring they are equipped with the skills needed to succeed in an everevolving global landscape.

As Principal of Sekolah Sri UCSI Springhill, Mr Santhanasamy is dedicated to cultivating a vibrant, inclusive, and innovative learning environment. His vision is to inspire and empower every student, ensuring they feel valued and supported in their educational journey. He is committed to furthering the school's legacy of excellence and ensuring it remains a beacon of educational achievement for years to come.

Spreading Joy

Past Events

The spirit of Christmas filled the air at Sekolah Sri UCSI as students and teachers came together to celebrate the festive season on January 1st. The school was beautifully decorated with lights, handmade ornaments, and a dazzling Christmas tree that stood tall in the main lobby, symbolizing joy, hope, and unity.

The event concluded with joyful performances and a Christmas feast organized by the school. The celebrations left everyone with warm memories and a sense of togetherness as the school community looked forward to the holiday break.

Student Awards Day

On January 17, Sekolah Sri UCSI held its annual Student Awards Day ceremony to honor the outstanding achievements of its students in academics and leadership. The event took place in the school hall, filled with proud parents, dedicated teachers, and enthusiastic students.

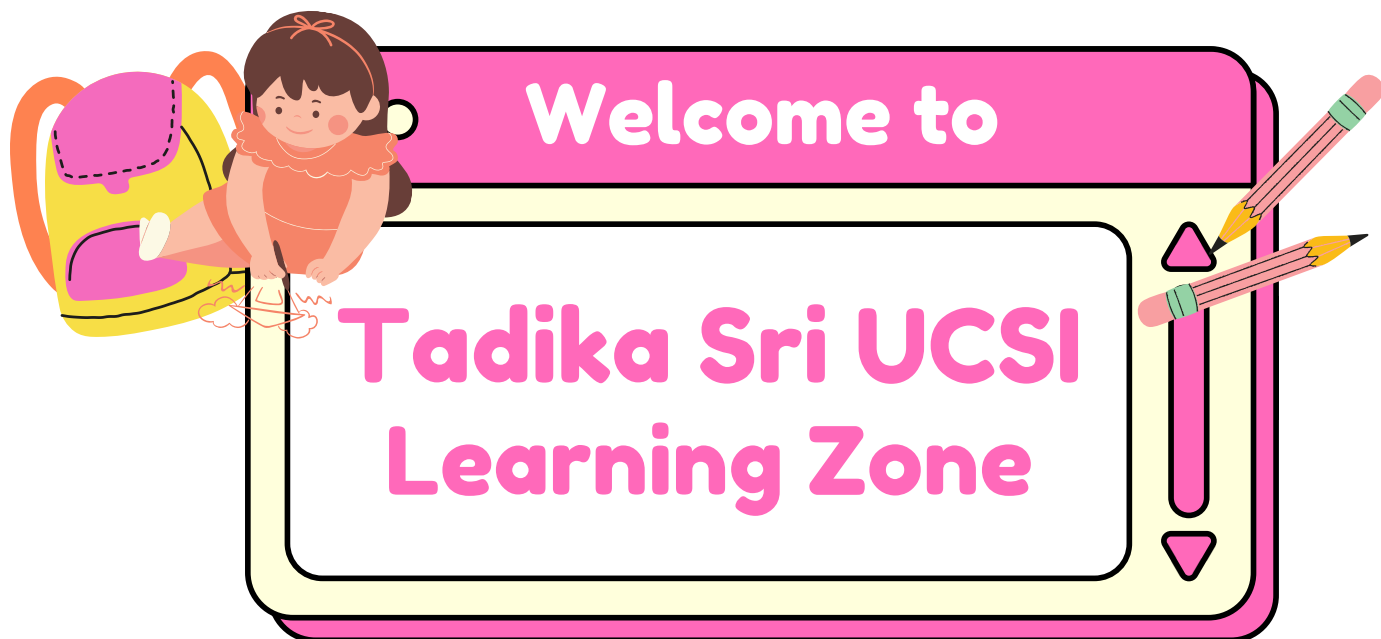

Special congratulations went to Ivan Lee and Tan Yu Xuan from secondary, Teo Li Heng and Lyna Aryana from primary, who received the prestigious “Outstanding Student” award for exceptional performance in both academics and leadership involvement.

The event concluded with performances from the primary students and a slideshow capturing memorable moments from the year. It was a day filled with inspiration, pride, and celebration—a reminder of the incredible potential each student holds. Congratulations to all the award recipients and participants!

Healthy Habits Start Early: Personal Hygiene in Our Reception Class

At our Early Years Centre Reception class, we believe that good personal hygiene is a vital part of a child's overall well-being. Teaching young children proper hygiene routines from an early age not only helps prevent the spread of germs but also builds lifelong habits that contribute to their health and confidence.

By instilling hygiene practices early, we empower our Reception class students to take charge of their personal hygiene with confidence. Let's work together to create a healthy, happy learning environment for our little ones!

Arts and Craft Club

The Arts and Craft Club at Sekolah Sri UCSI aims to nurture creativity, imagination, and practical skills in primary students.

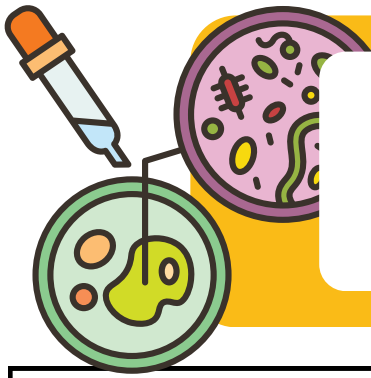

Through a variety of arts and craft activities can encourage students in expressing themselves, developing fine motor skills, and learning important life skills such as patience, perseverance, and problem-solving.

Exploration

As we look ahead, the club plans to introduce digital art and collaborate with professional artists to take creativity to the next level.

Because in the Arts and Craft Club, every brushstroke tells a story, and every creation is a step closer to discovering one's inner artist.

EXPLORING PRACTICAL SKILLS: A LOOK INTO OUR LIVING SKILLS CLUB

The Living Skills Club at Sekolah Sri UCSI Springhill continues to thrive as students participate in hands-on activities that develop essential life skills. This club provides a fantastic opportunity for students to learn practical skills, foster creativity, and build teamwork while making meaningful contributions to the school community.

Recently, the club took part in a community service initiative by helping to decorate primary school classrooms. Members worked together to create colourful wall decorations, arrange learning materials, and add creative touches to make the classrooms more engaging and welcoming for younger students.

The club also played an active role in keeping our school environment clean and green. Students enthusiastically participated in a gardening project, planting vibrant flowers and taking care of the school garden. They also contributed to cleaning the school compound, ensuring that our surroundings remain beautiful and conducive to learning.

We look forward to sharing more of our exciting activities in the next issue. Stay tuned!
