TEACHER TRAINEE
PROGRAMME (TTP):
Empowering 21st Century Educators

PROGRAM OVERVIEW

The UCSI Schools Teacher Trainee Programme (TTP) is a dynamic initiative aimed at identifying, nurturing, and empowering aspiring 21st-century educators. This programme is crafted to provide a comprehensive and hands-on learning experience, ensuring that trainees emerge as well-rounded and effective teachers, ready to meet the challenges of 21st-century education.

PROGRAMME COMPONENTS:

1. Comprehensive Curriculum:

- Blend theoretical knowledge with practical teaching skills.
- Integration of innovative teaching methodologies and educational technologies.
- Familiarise with various international and also national curriculums.

2. Mentorship and Support:

- Assign each trainee a mentor for personalised guidance and continuous support.
- Regular feedback sessions to facilitate continuous improvement.
- Encourage peer collaboration and a sense of community.

3. Subject-Specific Training:

- Develop specialised subject teachers with a deep understanding of the curriculum.
- Align subject-specific training with industry standards and real-world applications.
- Encourage interdisciplinary approaches to teaching.

4. Language Proficiency Enhancement:

- Implement language proficiency enhancement programmes to enhance communication skills.
- Emphasise language proficiency standards in teaching practices.

5. Technology Integration:

- Provide hands-on experience with the latest educational technologies.
- Training in the effective integration of technology into classroom instruction.

6. Inclusive Education Training:

- Incorporate principles of inclusive education to cater to diverse learning needs.
- Sensitise trainees to cultural competency and diversity in educational settings.

7. Professional Certifications:

- Provide a pathway for trainees to attain a Post Graduate Certificate in Education (PGCE) from UCSI University (QS World University Rankings 2024: World's Top 1% Universities).
- Offer opportunities for trainees to acquire industry-recognised certifications, specifically Microsoft Certified Educators or Apple Teacher certifications.
- Emphasise the importance of continuous professional development.

8. Leadership Development:

- Identify and nurture leadership potential among trainees.
- Mentorship for those interested in taking leadership roles within UCSI Schools Group.

9. Community Engagement:

- Engage trainees in community service projects.
- Foster a sense of social responsibility and community involvement.

ELIGIBILITY CRITERIA

To qualify for our TTP, you need to:

- Graduate with a Bachelor's degree from reputable universities with a minimum **CGPA of 3.0.**
- Obtain at least a **'B' grade** in IGCSE English First Language or UEC/SPM English or equivalent.

If you are identified as a specialist subject teacher, you must have a relevant degree. For example, if you are applying to teach Business, you must have a degree in Economics, Business Studies, or Marketing.

If you do not meet this requirement, you can start your teaching career in one of our UCSI Schools as an intern or teaching assistant for one academic year, and your performance will be assessed for eligibility to the TTP.

Financial Support

- Competitive salary during the training period.
- Full tuition fee sponsorship for Postgraduate Certificate in Education at UCSI University with an employment bond.

HOW TO APPLY

Interested candidates can submit their applications to **UCSI Schools Human Resource Department** at **hr@ucsischools.edu.my** with the following title; do specify the school and campus as well: *'Application for Teacher Trainee Programme UCSI International School or Sri UCSI School – Subang Jaya Campus/Springhill Campus/Kuala Lumpur Campus/Any Campus'.*
